

# *Mastering Powerful Presentation Skills*

for senior executives through  
new team members

## problems solved

- ✓ Fear
- ✓ Lack of Confidence
- ✓ Loss of Focus
- ✓ Too long and drawn out/too short
- ✓ Delivery issues (articulation, pronunciation, tone)
- ✓ Lack of Eye Contact
- ✓ Poor Preparation

## benefits

- + Increased Confidence
- + Strong Presence
- + Quick Thinking
- + Crisp, Sharp Pacing
- + Increased Energy
- + Better Eye Contact

## how we do it

After full participation from each individual in specifically chosen exercises and activities, the participant will create their own presentation to “perform” for the group. After a debrief session each member will present again utilizing their newly found skills. After another debrief session participants will then learn how to present on camera increasing their confidence and presence in this medium.

---

These workshops come in segments of 2 hours, 3.5 hours (half day), and 6 hours (full day) depending on group size and goals.
